

PAY AS YOU EXIT PARKING

Changes start August 8

The way you pay to park in City-owned parking ramps is changing. Starting Monday, August 8, you will now take a ticket when you enter the Red Ramp and pay as you exit. You will also be able to pay for your parking with a credit card. The Green and Yellow ramps will be undergoing the same conversion later this summer.

Pay-on-exit highlights:

Q: What's changing?

A: The existing pay-on-entry system has been converted to a pay-on-exit system.

Q: Can I pay with a credit card?

A: Yes you can! The new system will still accept cash, but will also accept credit cards, permits and validated hotel cards.

Q: How does it work?

A: When you enter the Red, Green or Yellow Parking Ramps you will push the button to take a ticket. Before leaving the ramp you can either pay-on-foot at a pay station located near the lobby area, or pay in one of the exit lanes.

Q: What if I need help?

A: The pay stations have a call button for assistance. But step-by-step instructions are listed on the equipment to help make your transaction as easy as possible.

Rates:

- \$1 for less than two hours
- \$2 for two – three hours
- \$3 for three – four hours
- \$5 for over four hours
- Permit rates are \$30/month in all ramps except the Blue Ramp which is \$35/month.
- Ramps are open 24 hours/day, seven days/week. Parking is free on Sundays in all four City-owned ramps.

New credit card pay station in the Red Ramp. Similar machines will be installed in the Green and Yellow ramps later this summer.
