WHAT IS A HISTORIC STRUCTURE OR SITE?

A historic structure or historic site designation may be placed on any site, natural or improved, including any building, improvement or structure, or any area of particular historic, architectural, archeological or cultural significance to Appleton.

WHERE DO I START?

Contact the Community Development Department to discuss interest in Historic Structure and/or Site designation.

WHAT'S NEXT?

A complete submittal includes a completed application signed by the property owner(s) with the following supplementary information: a statement by the applicant outlining reasons and justification for requesting historic structure and/or site nomination, a to-scale map with property lines, dimensions, location of all buildings and distances to property lines, a legal description of the lots included in the proposed designation, photographs of the front, sides, and rear of the (including photographs of outbuildings), and information about the architectural style, foundations, roof, wall, porch, windows and other applicable historic elements.

The Historic Preservation Commission holds a Public Hearing to review staff comments, determine whether or not the application satisfies designation criteria contained in Section 23-667 of the Zoning Ordinance and make a recommendation to the Community Development Committee. A notice of the Public Hearing is sent to the petitioner, Alderperson of the district, and owners of record for any property in whole or in part situated within 100 feet of the proposed boundaries at least 10 days prior to the Public Hearing. A recommendation for the designation is made to the Community Development Committee within 10 days of the close of the Public Hearing. The Community Development Committee makes a recommendation to the Common Council.

WHAT IS THE FINAL ACTION?

Common Council approval is the final action for a Historic Site and/or Structure designation. Upon Council action, notification shall be sent to the property owner or owners, the City Clerk, Inspection Division, Plan Commission and the City Assessor.
