I. PURPOSE

The City of Appleton believes the safety and welfare of its citizens and neighborhoods are of highest priority and the judicious dispensing of alcohol is in keeping with this belief. The possession of a beer or liquor license in the city is a privilege not a right; a privilege that must not be taken for granted but rather must be continually conditioned by the holder's adherence to applicable laws and regulations.

II. POLICY

All licenses granted and issued for the sale of fermented or intoxicating liquors shall be carried out under the provisions of W.S.A. Chapter 125 and the City of Appleton Municipal Code, Chapter 9, Article III.

Safety and Licensing Committee shall consider the application at a public meeting at which all interested parties will be given an opportunity to be heard. The Committee will, by a majority vote of those present, make a recommendation to the Common Council which shall consider the application at its next regularly scheduled meeting.

In performing its review and preparing its recommendation for approval or disapproval, the Safety and Licensing Committee shall take the following matters under consideration:

- The existence of the community need will be assessed by the committee. In this regard, such things as the type of operation proposed will be assessed for area and community impact.
- A building should not only be appropriate to the intended use, but should also be appropriate from an aesthetic and tax revenue standpoint.

- The number of licensed premises within the immediate geographic area of the proposed location will be considered.

III. DISCUSSION

Where required, no corporation, partnership or individual will be issued a beer/liquor license for the premises until a Special Use Permit application has been submitted. This would allow for the Community and Economic Development Department to review and determine whether or not the applicant must apply for and receive approval of a Special Use Permit pursuant to the current Zoning Code.

Sale of Fermented Malt Beverages in a Park by the City

The City cannot grant a license to sell fermented malt beverages to itself. However, pursuant to W.S.A. 125.06, the sale of fermented malt beverages can occur in a public park operated by a municipality without a license as long as the municipality authorizes the sale. The Parks and Recreation Committee has jurisdiction to consider whether the sale of fermented malt beverages shall be allowed in a park. The Committee will, by a majority vote of those present, make a recommendation to the Common Council. If the Parks and Recreation Committee and the Common Council authorize the sale of fermented malt beverages in any park the following will apply:

1. Any person serving fermented malt beverages shall obtain an operator's license.
2. The police department will periodically conduct inspections and Controlled Alcohol Transaction (CAT) checks at these locations.
3. The police department shall report any violations to the Park and Recreation Committee and the Safety and Licensing Committee.
4. Since technically a license cannot be obtained, demerit points cannot be assessed according to ordinance if a violation occurs at such a location. Therefore, demerit points shall be assessed to the location as if the location has a license in the same manner established in City Ordinance 9-54.
5. The Park and Recreation Committee shall suspend the authorization granted pursuant to W.S.A. 125.06 to sell fermented malt beverages in any public park for not less than 10 days or more than 90 days if the location accumulates demerit points totaling 150-199 within a 12 month period.
6. The Park and Recreation Committee shall revoke the authorization granted pursuant to W.S.A. 125.06 to sell fermented malt beverages in any public park for at least 12 months if the location accumulates demerit points totaling 200 or more within an 18 month period.

Waiting List

1. If the City has met its quota on the issuance of "Class B" Beer/Liquor Licenses as well as Reserve Licenses, a waiting list of those persons wishing to obtain a license will be established. The names will be added to the list in the order that they are received.
2. Every year at license renewal time, this list shall be updated. It shall be the requirement of the requestor to submit a written request no later than July 1 to the Office of the City Clerk indicating their name, company or corporation, and the proposed address, if known, indicating their desire to remain on the list. A letter confirming their placement will be sent after July 1.
3. If a license becomes available, the first person on the list will be notified and given 10 business days to respond. If they do not respond within the 10 business days, the next person on the list shall be notified.

Inactive (Abandoned) Licenses

1. Any licensee issued a license to sell alcohol beverages that abandons such business shall forfeit any right or preference the licensee may have to the holding of or renewal of such license.
2. Abandonment shall be sufficient grounds for revocation or non-renewal of any alcohol beverage license.
3. The Appleton Police Department shall investigate any establishment that appears to have abandoned its license and report its findings to the City Clerk in writing. An Inactive license will meet the definition of abandonment or non-use under Section 9-52(9) of the Appleton Municipal Code.
4. Upon receipt of this notification, the City Clerk will send a certified letter to the owner(s) and/or Agent as indicated on the original application for the sale of intoxicating liquors. The date of letter will be the defining date for determining a one year period.
5. The license holder may request an extension of the one year period. An extension may be granted for good cause. Any extension of the one year period shall be reviewed and approved by the Safety and Licensing Committee and Common Council prior to the expiration of the one year deadline.
6. If after one year, the establishment is still deemed as Inactive, a revocation or non-renewal hearing shall be held.

Convenience Store Beer License Regulations

The Safety and Licensing Committee and the Common Council of the City of Appleton issue Class A licenses to convenience stores with the provision that only Class “A” beer licenses will be issued to convenience stores also selling gasoline.

Certain limits will be placed on the issuance of those licenses:

1. The City of Appleton shall issue no more than one license for every 1500 persons residing in the City, to be reviewed every 5 years, with the next review to be done in the year 2021.
2. The establishment shall be limited to twenty (20) percent the amount of floor area used relating to the sale of alcoholic beverages.
3. The hours of operation for all Class “A” beverage sales will be 8:00 a.m. to 12:00 midnight.
4. If the applicant has previously held a license and has required an inordinate number of police calls to maintain order and public presence as a good neighbor, those facts may be considered as ground for denial of the license.

Special Class “B” Beer, “Class B” Wine Licenses

Special Class “B” Beer and Special “Class B” Wine Licenses may be issued by the City Clerk after approval is granted by the Safety and Licensing Committee and all necessary department recommendations are satisfied.

All applications for Special Class “B” Beer Licenses must be on file in the Office of the City Clerk for at least ten (10) working days. All applications for Special “Class B” Wine licenses must be on file in the Office of the City Clerk for at least 15 days.

Should the Safety and Licensing Committee deny approval of any Special Class “B” Beer or “Class B” Wine License, such denial shall be considered as a recommendation to the Common Council. Said request is forwarded to the Common Council for its approval or denial.

Sidewalk Café

A Class B license holder may serve alcoholic beverages in the sidewalk café area as long as a Special Use Permit has been granted for the sidewalk café and the Class B license has been amended to include the parameters of the sidewalk café. In addition, pursuant to Section 9-262 of the Municipal Code, the licensee must comply with all regulations pertaining to sidewalk cafes.

Open Street Concept - Special Class “B” Beer License

Open Street Concept” refers to the sale and consumption of beverages, which are allowable with a Special Class “B” Beer license within a geographically defined area that is not secured or enclosed by fences or other physical barriers.

The Safety and Licensing Committee may make a recommendation of the Open Street Concept when granting a Special Class “B” Beer License and forward the same to the Common Council for final approval. When considering requests for Special Class “B” Beer licenses involving the Open Street Concept, the Safety and Licensing Committee and/or the Common Council may require the organizers of such events to comply with beverage sale restrictions or any other restrictions that they may deem appropriate o provide for an environment that promotes public health and safety regarding alcohol consumption at these events. This consideration should be done in a consistent fashion.

In addition, the Safety and Licensing Committee reserves the right to limit the number of Open Street Concept events held within the City each license year.
