WHAT IS A PLANNED DEVELOPMENT AMENDMENT?

A Planned Development Amendment reflects changes within the initial Planned Development (PD) overlay zoning designation. A Planned Development Amendment is used for properties with existing Planned Development designations and Implementation Plan Documents. The amendment does not alter the zoning designation.

WHERE DO I START?

Contact the Community Development Department to discuss if the alterations are considered a Minor or Major Amendment to the Planned Development. The staff will provide this determination as well as information regarding whether the existing Implementation Plan Document can be amended or a new Implementation Plan Document is required.

WHAT'S NEXT?

Minor Amendments shall have a written request submitted to the Community Development Department.

Major Amendments require filing the completed application, appropriate fee, and amended Development Plan and Implementation Plan Documents. City departments make recommendations to the Plan Commission, and the Plan Commission holds an Informal Public Hearing to review staff comments and makes its recommendations to the Common Council. Notice of the hearing is sent to the petitioner, Alderperson of the district, property owners within 100 feet of the lot to be rezoned and/or the Town Clerk. A recommendation to the Common Council is made within 45 days of the Informal Public Hearing.

A notice of the Public Hearing is published in the newspaper for two consecutive weeks before the Council meeting. At the Public Hearing, the Common Council formally approves, refers the item back to the Plan Commission, modifies the conditions or denies the PD Amendment. If approved, the City Attorney drafts an Ordinance. The Common Council approves or denies the Ordinance.

Note: *If the Plan Commission unanimously denies a Planned Development Amendment request or if a valid remonstrance is filed, the PD Amendment will not become effective except by the favorable vote of three-fourths of the Common Council.*

WHAT IS THE FINAL ACTION?

Minor Amendments are approved by the Community Development Director.

Major Amendments - A revised Implementation Plan Document must be filed in the County Register of Deeds office. Once this is filed, the Community Development Department receives a copy and the specific criteria will be applied to the development project.

The PD zoning designation runs with the land and remains the designation of the property until a rezoning action is submitted and approved.

NOTE: *If the Common Council denies a PD Amendment request, the applicant must wait a year before submitting the same request. If the applicant withdraws the submittal prior to Common Council action to deny, the year wait to resubmit does not apply.*

Development Plans

The specific contents of the development plan for a Planned Development (PD) Overlay District are listed in the Municipal Code, Chapter 23-151(n). This checklist is provided to assist you in preparing a complete set of plans, prior to submission.

Development plans and supporting data shall include all items listed in this section:

- 1. Topographic survey and location map
- 2. Detailed plan, drawn at a scale not less than one-inch equals 100 feet, or as considered appropriate by the Community Development Director. This plan should include:
 - Proposed streets
 - Lots
 - All buildings, showing setback dimensions to lot lines and use
 - Common open space
 - Recreation facilities
 - Parking areas, showing setback dimensions to lot lines
 - Service areas and other facilities to indicate the character of the development
 - Note identifying the lot coverage percentage of impervious surface coverage within the PD
 - Note identifying the percentage of permanent common open space within the PD
- 3. Boundary lines, including bearings, distances and acreage
- 4. Easement locations including width and purpose
- 5. Existing land use on the PD property and up to 150 feet on adjacent lots.
- 6. Other conditions on adjoining land, including:
 - Actual direction and gradient of ground slope, including embankments and retaining walls
