Summary of Preliminary and Final Plat Requirements and Process

The owner/applicant shall schedule a preplatting conference with the City Engineer prior to submittal of an application for the approval of a preliminary plat to review the process, purpose and objectives of Municipal Code regulations, the comprehensive plan, erosion control and stormwater management practices, neighborhood plans and fees.

The owner/applicant shall submit the following information to the Community Development Department:

For **Preliminary Plat** review:
1. A complete application form and fee of $100.00 plus $25 per lot, or a reapplication fee of $20.00.
2. Four (4) copies of the preliminary plat.
3. A digital copy of the preliminary plat file in AutoCAD or compatible format by electronic mail or on compact disc.
4. Three (3) copies of the preliminary drainage plan, stormwater management plan and feasibility study plan.

For **Final Plat** review:
1. A complete application form and fee of $75.00.
2. Four (4) copies of the final plat.
3. A digital copy of the final plat file in AutoCAD or compatible format by electronic mail or on compact disc.
4. Three (3) copies of the stormwater management plan.

The preliminary and final plat will be reviewed by City staff for compliance with all applicable local regulations including Chapters 4, 20 and 23 of the Municipal Code, any official mapping ordinances, the Comprehensive Plan for the area, City of Appleton Subdivision Development Policy, Engineering Division Standards Procedures and Chapter 236 of the Wisconsin Statutes.

The owner/applicant of a final plat shall be responsible for the following:

1. Submitting five copies of the final drainage plan to the Community Development Department for Department of Public Works review and approval within 30 days from the meeting date the Common Council approves the final plat, unless the time is extended by the Department of Public Works.
2. Special assessments and taxes, which must be paid to the City of Appleton Finance Department prior to the Finance Director signing the final plat.
3. All recording fees.
4. Recording of the final plat in the County Register of Deeds office within twelve (12) months from the approval date of the last approving authority and within thirty-six (36) months from the approval date of the first approving authority.
5. Providing five reproducible paper copies and one digital copy of the recorded final plat in AutoCAD or compatible format on compact disc to the City Clerk.
